The Burghill Community Times

Newsletter – Friday 27th September 2019

Apple Class

We had a fab time choosing books on the Library van!

In PSE we have been talking about being good friends and taking care of our school. We used the words 'relationships' and 'responsibility'. We started by passing a smile- super!

Beech Class

We had a fantastic trip to the Hereford Cathedral and we loved our bus trip!!

We had a little taster of TTRocksters, practising our number bonds to Status Quo music! We will gradually move over to our tables when we are ready, but will enjoy rock music with our number practise until then.

Class News

Willow Class

Willow Class have had great fun investigating the weight of carbon dioxide in fizzy drinks. We found that cherryade had the most carbon dioxide! We have also been investigating the speed taken for different types of chocolate to melt. We found that white chocolate melted the quickest because it had 0% cocoa solid. Willow class have worked really hard during English this week, writing their very own adventure stories. Earlier this week the children helped Willy Wonka solve a problem through investigating the speed at which different types of chocolate melt.

Sycamore Class

A busy couple of weeks in Sycamore Class with lots of wonderful science and art going on. We also visited the Black Country Living Museum last week, which was just fantastic, the children getting to experience what school was like during the Victorian era and travel down a mine to see what life was like for miners in the Black Country, check out our Twitter feed for more photos from the trip.

Message from the Headteacher

Dear Parents and Carers,

Although it has been a dreary week of weather...some lovely activities have been going on in the classrooms. One thing that has been great to see this week (and I hope you agree) is the visit from the school library bus, which hasn't happened for a number of years. The children were extremely excited and having the chance to visit it with the children from Beech class, it was lovely to see how enthusiastic the children were about picking out their books. Those of you with us for assembly this morning will have heard that we are starting our afterschool club on Monday 7th October. More information will follow in booking on. I hope this is well received and as much of a success as the breakfast club is already proving. The focus will not be on sport, as it was previously with Team Bees, but the children will get chance to play outside, play board games etc. or catch up on their homework if they wish. We are always open to suggestions, so please feel free to get in contact if you have any great ideas.

Have a good weekend,

Alex Davies

Notices and all the other 'stuff'!

Harvest Collection

We will be collecting items for Hereford Food Bank again for this years Harvest Festival. They have recently sent a plea out on Facebook for toiletries, such as:

Shampoo, toothpaste, shower gel/bubble bath, deodorant, toilet roll, soap (check the ingredients, believe it or not some contain NUTS). Of course they still collect items like tinned meat (stews, casseroles, ham), tinned vegetables, smash, UHT/dried milk, tea/coffee.

For updates from Hereford Food Bank please check their website or Facebook page.

Uniform

Please make sure ALL uniform is labelled with your child's name. Already we have lots of children losing items of uniform!

Eco Club

Eco Club was launched today the children have decided to collect the following items to recycle and produce funds for local charities:

- Batteries and electric cables
- Crisp packets
- Plastic bottle tops (any type)
- Drinks cans

Please can you make sure these items are clean and safe for the children to handle. Recycling bins will be located in the hall.
