

# **Service Premium 2020-2021 Review**

Total allocation for Service Premium    27 children = £8,370

## How we use the Service Premium

State schools, academies and free schools in England, which have children of service families in school years Reception to Year 11, can receive the SPP funding. It is designed to assist the school in providing the additional support that these children may need and is currently worth £310 per service child who meets the eligibility criteria.

At Burghill Academy we use this money in a number of different ways to target children who are eligible for service premium.

Eligible schools receive the SPP so that they can offer mainly pastoral support during challenging times and to help mitigate the negative impact on service children of family mobility or parental deployment.

- Mobility is when a service family is posted from one location to another, including overseas and within the UK.
- Deployment is when a service person is serving away from home for a period of time. This could be a 6 to 9 month tour of duty, a training course or an exercise which could last for a few weeks.

The service premium was introduced to mainly provide pastoral support for service children. In order to support the pastoral needs of service children, schools have flexibility over how they use the SPP, as they are best placed to understand and respond to the specific needs of those pupils for whom the funding has been allocated. The funding could be spent on providing a variety of means of support including counselling provision, nurture groups, additional daily support etc.

A breakdown of how the money was spent and the impact it had on the Service Premium children can be found in the Premium Review document on the school's website. For this year, Burghill we be splitting the two amounts of premiums to show how the money is being spent in each area.

Burghill Academy will be providing the following:

Action	Success Criteria	Cost	Review
School Learning Mentor to provide additional time during lessons to give support; discuss aspects of pupil's work and areas of improvements and targets. Also used to run intervention programmes for missed	<ul style="list-style-type: none"><li>• Provide pastoral support for service families &amp; pupils whose parent is in active service.</li><li>• Support in the form of catch up or pastorally – as and when required.</li><li>• Employing a full time LM allows</li></ul>	Proportion of LMs time £1,600	Invaluable resource used for all children across the school (primarily forces children) Increase hours to accommodate more.

		£9,345	

**Pupils in receipt of Service Premium are viewed as a cohort and their needs are scrutinised at termly pupil progress meetings. In individual circumstances we will also consider if we can use funds to support a child or family in any way we can in agreement with the Senior Leadership Team and the family concerned.**

**If any parents would like to discuss the above in more detail we would be very happy to do so.**
